

**REMARKS**

Claim 3 has been amended to correct the viscosity unit recited therein. This amendment is believed to be editorial in nature. To extent support is needed for the amendment, it is found in the specification at, for example, page 9, line 24.

Claim 11 has been amended to improve editorial clarity. The scope of claim 11 is unchanged. Accordingly, the amendment of claim 11 does not add new matter to the application.

Claims 4-8, 10 and 11 have been amended to remove both proper and improper multiple dependencies. No new matter is added.

All claim amendments are made to correct editorial error, improve editorial clarity, or reduce filing fees. No amendment is made for any reason related to patentability of the claims.

All amendments are supported by the application as filed. By this Preliminary Amendment, no new matter is added to the application.

This application is believed to be in condition for allowance. A prompt and favorable action on the merits of the application is earnestly solicited.

Dated: January 12, 2006

Respectfully submitted,

By
